Supplemental Complaint

Washington State DSHS

Pierce County Council et al

Today, May 6th 2023, I Complained, and two other individuals complained that another Resident was becoming Manic, even got into My face while I was talking to My Mother. The two other complained, saying he Tan into my face, and he kept going into the other Persons Room. I wrote a Kite and an Electronic Kite. The Sgt. "Miller" responded to my Concern, and after I Cited Case Law, and The Honorable Judges opinion about how I was not only being housed in unsanitary Conditions due to our Sewage and toilets, but now My Rights were being infringed upon by housing those Civilly Committed awaiting Restoration in Dangerous And Severe Punitive Settings, by Placing Dangerous Criminal Detainees in a unit with civil detainees. The objective

Me → For a Person Undergoing Restoration is to be Restored, not "abused, Threatened by Criminal Detainees" or "Dehumanized by officers,"... I Cited, "with respect to an individual confined awaiting adjudication under 'Civil Process', a Presumption of Punitive Conditions arises where the individual is detained under Conditions

Identical to, Similar to, or More Restrictive than, under which Pre-Trial Criminal detainees are held, or where the individual is detained under Conditions More Restrictive than those he or she would face upon Commitment." See Jones v. Baca, 2010 U.S. Dist. LEXIS 143589 ... Citing Jones v. Blanas, 393 F.3d at 933-34.

Now, under no Penological Purpose, I am placed in a Suicide Cell, there was fecal and pee all over the toilet, I was given no toilet paper for 4 hours, so I couldn't even clean the cell with water & toilet paper; a dehumanizing approach when all one asked for was that the Jail respect our Rights to Sanitary Conditions and Reasonable Housing.

I am now being housed in the Jail's Most Restrictive Cell, a Suicide Cell in 3 North B 5 Cell, for no other purpose but for another Person's violent, "Manic Behavior" and me Citing Case Law about how the Jail's Practices, Procedures and Customs were Violating My Constitutional Rights as a "Civil Detainee"...

I have asked Officer C/O Stephen, White, Sawyer, Haddon about why I am being housed in a "Restrictive Suicide Cell", they say, "We have no idea why you are in this unit, and why the Hell in a Suicide Cell, except they

do say it does say "Temporary". I Object!!!
 To Dehumanize me, to Punk me, to Torture
 Me Physically and Psychologically under the
 Term "Temporary", is a Cover up. There is
 no Justification, there is no Penological
 Purpose, for Me to be Placed in the most
 Restrictive Setting, to be gazed at by
 Spectators, as if I am an animal at the Zoo,
 because My door is just a Window (no Privacy),
 Pee and Poop where everyone can See, like
 an animal, hoping, just hoping that one
 day these dehumanizing behaviors will
Restore me. Your Honor, these officers,
 Pierce County Council are Demons... How
 can they Punish me for Complaining about
 their facility and my well-being?
 They are Retaliating against me because of
 the actions I have taken out against them in
 this Court, and how I will not stop until
 the "Public See" what this Demon County
 is doing to its Citizens.

I have asked Deputy Co Hamilton & Hasso
 for Grievances, but they tell Me to Kite or
 talk to The Sgt..., yet when I ask for the
 Sgt, its, Oh He is busy... I am being
 Denied like always, My Right at Grievance,
 My Right a Due Process.

Your Honor, With Due Respect,
 I feel as if they are Trying to see how long it will take for them to Break me, to see how long it will take for me to Stop the Law Suits, how long it will take for me to act like other inmates and start Pounding on My Door, Cussing and Screaming, but the Voices in My head tell me to Stay Calm and that I must endure dehumanizing Hardships as a Good Soldier of Jesus, therefore I must be at Peace in the Spirit, and Fight for our Constitution in the Physical.

This is De-grading, not even one Mental Health Person has come to Speak to me.

Again, I am in the Most De-grading, Restrictive Cell in the Jail Facility.

1. I Cannot Call Home
2. I have to Poop & Pee while People Watch
3. The Light in my Cell will Stay Bright all Night.
4. Cell Unsanitary / No Cleaning Supplies.
5. Waited 4 hours to get toilet Paper to wipe Poop of toilet.
6. Cannot come out of Cell.

They are taking me from one Dehumanizing Level, where Toilets are back-flushing, Cells and Unit Smells like Raw Sewage, and being Victimized to

another Dehumanizing level, where I am in the
Jails Most Punitive Restrictive Cell, 3 North B 5
Suicide...

I am in a Dehumanizing Suicide Cell, yet I am able
to have Pencils. Why are They now watching me so
closely. I have had no violent behavior, no write-ups,
no violent out-burst, but I have helped several people
file 1983 Civil Complaints about the Torturous
conditions the Jail is housing them in.

The County through it Jail Co, are punishing me
for helping others file 1983 complaint?

Again, I am now being housed in the Jails Suicide
Cell, For no Penological Reason, I am not
Suicidal because I wouldn't have this Pencil, I
was not violent, I was concerned about another
Persons "Manic" behavior towards mine & others
well being / victimization, but Still, why am I
being Punished.

Please Help.

I Confirm that Everything I have
written is True to the Best of my
ability
